Family Fun Night – Tonight!!!

Please join us for an evening of fun at BTE! We'll start in the cafeteria at 6:30 p.m. with a brief PTA meeting and overview of the fun stations available for families to visit. Some stations include:

*Book Distribution: Every child who is enrolled at BTE will receive a free book that they will select from many different available titles! There will be books available in both English and Spanish.

*Storytelling: Students will be able to participate in several different sessions of storytelling.

*Healthy Snack Preparation: We'll have lots of tasty treats to nibble on at this station.

*Parent Information: Parents will receive a free literacy book!

We'll wrap up the evening about 7:45 p.m. when we head back to the cafeteria for a raffle. BTE will be raffling off 2 giant bags filled with sporting goods. (Raffle tickets will be available as early as 6:15 p.m.) Be sure to stop by for this fun family event!

Science Fair Reminder

We are all very excited about our Science Fair that is coming soon. Just as a reminder, all fourth and fifth grade students are required to participate in the Science Fair. Science Fair projects will be a major science grade for all fourth and fifth grade students. Those students will be expected to give an oral presentation and answer questions about their science project. The Science Fair is optional for students in grades 1-3. Students in fourth and fifth grades must turn in their projects on Monday, January 28 for classroom judging. Students in first-third grades will bring their projects on Tuesday, January 29. If you need a display board, Science Fair display boards are available in the office for only \$1.00. Thanks to the PTA for providing the boards to our students at a reduced cost!
