Science Fair Reminder

We are all very excited about our Science Fair that is coming soon. Just as a reminder, all fourth and fifth grade students are required to participate in the Science Fair. Science Fair projects will be a major science grade for all fourth and fifth grade students. Those students will be expected to give an oral presentation and answer questions about their science project. The Science Fair is optional for students in grades 1-3. Students in fourth and fifth grades must turn in their projects on Monday, January 28 for classroom judging. Students in first-third grades will bring their projects on Tuesday, January 29. If you need a display board, Science Fair display boards are available in the office for only \$1.00. Thanks to the PTA for providing the boards to our students at a reduced cost!

Yearbook Sales

Now is the time to order your 2007-2008 yearbooks. For only \$15, you'll get an awesome yearbook full of memories and pictures of the school year. There are also pages for your friends to write messages to you. Checks should be made payable to BTE. After spring break, yearbooks will cost \$20...so order today!

Family Fun Night

Over 60 BTE students braved the inclement weather with their parents last Tuesday and enjoyed a special evening full of literacy and wellness activities. Congratulations to Jared Arroyo and Casandra Salazar for winning the giant bags filled with sporting goods.

Shoes

Shoes which have roller skate options should not be worn to school. Not only are they hazardous with over 800 students, but they can damage the tile.

PTA Update

I would like to introduce myself as the new PTA President for BTE. My name is Sheri Lawson and my son is in Mrs. McCoy's kindergarten class. I am very excited to be a part of the PTA and look forward to meeting you in the future.

This Friday is the annual Make-A-Wish Dance. If you are able to volunteer in 30 minute increments, please contact me at thelawsons@ownmail.net or 512-657-4727.

Calendar

January 23, 2008 – Wednesday – B Day

After school tutorials will be held for invited students.

January 24, 2008 – Thursday – C Day
