After School Tutorial Camp – Mondays & Wednesdays

Almost 150 students are participating in this important program on Mondays and Wednesdays. A good number of those students need transportation home. As stated in the parent letter to invited students, the buses run by Project Mustang are not able to leave until 5:30 p.m. One bus had to deliver students on two different routes as the Transportation Department was short a driver. I apologize for the extreme delay as many students didn't get home until 7:30 p.m. It is anticipated that another driver will be available. I plan to meet with the students prior to dismissal today to let them know that help is on the way and that what they experienced yesterday evening is not the normal routine.

Tutorials end typically at 4:00 p.m. Some teachers (Dukes, Casillas, Saenz, Ray, Diaz, DeJulio, Johnson, Barrera, and Prochaska) are able to continue groups until 5:00 p.m. to provide additional support. Should any parent of a current tutorial camp bus rider desire to pick up their child, just stop by the gym between 4:00-5:30 p.m. On a normal day, all students should be delivered home within an hour of departure - by 6:30 p.m. at the latest.
