Morning Arrival Safety – Car Riders

Parents should note that we have 1-3 assistants on duty each day to help unload students. Please don't wait until you pull to the very front of the building to have your child get out of the vehicle. To avoid any frustration of other drivers and to alleviate potential accidents, should your child need extra time in getting out of the car, please park in the available spaces in the front of the school and walk your child into the building. Remember to use the crosswalk when escorting your child into the building and wait for the assistant on duty to motion you to cross to ensure everyone's safety.

Also, kindly remember that to drop off a student, you must use the circular drive in the front of the school. The line in the circular drive does flow when 3-4 cars unload at a time. For safety reasons, do not drop off students in the street. And remember to not pass vehicles in the circular drive or in the street.

Brown Santa

BTE is still collecting nonperishable foods (such as peanut butter, pancake mix, cooking oil, any canned food items, and any dry box items) to donate to less fortunate members of our community for the winter holidays. Please send in your donations before December 13th. Your generosity will brighten the holidays of Manor families.
