

Una nota de la directora

Mil gracias por un año maravilloso en la Nueva Decker. Hemos crecido y hemos mejorado en muchos, muchas áreas. Nuestra escuela se ha convertido en un lugar en donde todos nosotros pertenecemos. Espero poder trabajar con ustedes otra vez el próximo año para hacer nuestra escuela incluso mejor para los padres y los estudiantes. Pasen un verano seguro y feliz.

TAKS Results

WE ARE ON OUR WAY TO SUCCESS!!

Decker TAKS results have arrived and the news is very, very good. More than 70% of Decker students passed TAKS in all subjects. We met or exceeded the state expectations to be rated an Acceptable Campus for all areas. In fact, there is a possibility that we will receive an even higher rating than Acceptable, when the state announces the ratings in August.

I am extremely proud of our Decker students and staff. I have included a chart below that shows the amount of improvement we have made from last year to this year so that you can truly see what a great achievement this represents. Thank you so much for encouraging your child all year!

CONGRATULATIONS & THANK YOU!

Decker Library open this Summer

The Decker library will be open Wednesday afternoons this summer for students to check out books and videos, pick up extra work and use the computers. All Decker students are invited to come to the library each week and continue learning all summer long. Fifth graders may also participate even though they will leave us next year. Students who complete the extra work provided all summer will earn a reward when we come back to school in the fall.

I have attached a schedule for you along with some other suggestions of fun things to do this summer. The library hours are 1-3 on Wednesdays in June and August. We'll post a sign on the door this summer as a reminder.

Please keep your child reading and thinking all summer. Together we are changing the future and your work at home makes all the difference.
