Dear Principal / Assistant Principal Applicant:

We believe that principals are critical to student success, and we are committed to placing principals in positions where they will be most successful. As an initial part of our process, we would like you to take a web-based assessment designed by The Gallup Organization. The assessment comes from research conducted with principals viewed as most successful.

This online assessment is called the PrincipalInsight. It will require approximately 40 minutes of **uninterrupted** time. You can access the Principal Insight using the URL below as a hyperlink or entering the URL from a Web browser. Additionally you will need to input the District Code below to access the system.

At the PrincipalInsight Log In page you will be asked to create a username (Your email address) and a unique password. Please follow the directions carefully for creating the password. You should write down the username and password to re-enter the PrincipalInsight system.

PrincipalInsight consists of three types of items: multiple choice, Likert scale (responses on a one-to-five scale), and open ended in which you write your response. Specific instructions are contained within the PrincipalInsight.

You may access the PrincipalInsight at this URL: https://gx.gallup.com/principalinsight_gx

Use this district code: 20617457

Please complete the PrincipalInsight as soon as possible...& good luck!

Sincerely,

Cathy Jones, Ph.D.
