

Manor Independent School District
www.manorisd.net

Summer 2006

Dear Teacher Applicant:

We in Manor ISD believe that teachers are critical to student success, and we are committed to placing teachers in positions where they will be most successful. As an initial part of our process, we would like you to take a web-based assessment designed by The Gallup Organization. The assessment comes from research conducted with teachers viewed as most successful.

This online assessment is called the TeacherInsight. It will require approximately 40 minutes of **uninterrupted** time.

You can access the TeacherInsight using the URL below as a hot link or entering the URL from a Web browser. Additionally you will need to input the District Code below to access the system.

At the TeacherInsight Log In page you will be asked to create a username (Your email address) and a unique password. Please follow the directions carefully for creating the password. You should write down the username and password to re-enter the TeacherInsight system.

TeacherInsight consists of two types of items: multiple choice and Likert scale (responses on a one-to-five scale).

Specific instructions are contained within the TeacherInsight. Following completion of the online assessment, Gallup will forward your score to me. (Scores are confidential and cannot be disclosed to the applicant.)

If you are interested in teaching in Manor ISD, please complete the TeacherInsight as soon as possible. I will then forward your score to our campus principals. They, in turn, will decide if they want to contact you for a face-to-face interview.

You may access the TeacherInsight with this URL:
<https://gx.gallup.com/teacherinsight.gx>

Use this district code: 20617457

Good luck on the TeacherInsight...and I hope you will be joining our Manor ISD team soon in our "Journey to Exemplary!"

Cathy Jones, Ph. D.
Director of Human Resources
512.278.4010

If you experience technical difficulties, please contact Gallup Client Support at (877) 425-5872.
