

## **Fajita Concert Scheduled for October 27<sup>th</sup> at MHS**

The annual *Fajita Concert* has become a well known cultural event in Manor, Texas, and returns this year on Monday, October 27 at 6:30 P.M. The Fajita Concert begins with dinner in the Manor High School cafeteria followed by a concert in the Performing Arts Center. All of the Manor ISD bands, which includes Decker Middle School, Manor Middle School, and Manor High School will play during this event. A night of music performed by students in grades six through twelve is a great way to appreciate the progressive talent of the musical ensembles. Fajita dinners are sold by the MISD Band Boosters as a fund raiser to support the students enrolled in the band program. Fajita plates may be purchased for \$4 small and \$6 large. Directors, parents, and administrators encourage the community to attend this evening of “Good food and great music as we showcase our very talented band students.” –Adrian Acevedo, MHS Band.
