

Twitter

As you set up your Twitter account, follow this handout, not the prompts on the screen!!

1. Go to www.twitter.com

Click the **Sign up now** button.

2. Fill in the requested information. It will show you to the right of the boxes if your suggestions are accepted.

A screenshot of the Twitter "Join the Conversation" sign-up form. The form includes fields for "Full name" (Angela Matthews, status: ok), "Username" (a_techie, status: username has already been taken), "Password" (masked with dots, status: Good), and "Email" (atthews@manorisd.net, status: In case you forget something). There is a checkbox for "I want the inside scoop—please send me email updates!". A CAPTCHA section shows the words "seclude" and "Championship" with a "Create my account" button below. A small bird icon is visible in the bottom right corner.

3. Click on **the Create my account** button.

4. At the next screen, you can just click Skip this step. There is no need to search for your friends, unless you just want to!

6. Click the **Finish** button.
You now have a “Twitter” account!

Let's go set some preferences so you don't get inundated with followers!

7. Click the **Settings** link at the top of the page.

8. Click the **Account** tab.

9. At the bottom of the screen, put a check in the Protect My Tweets box. This will allow only those people you want following you to follow you.

10. Then click the save button.

A screenshot of the Twitter account settings page for Angela Matthews. The page has a header with her name and a profile picture. Below the header are tabs for Account, Password, Devices, Notices, Picture, and Design. The Account tab is selected. The settings form includes fields for Name (Angela Matthews), Username (matthewsangela), Email (angela.matthews@mano), Time Zone (GMT-06:00 Central Time (US & Canada)), More Info URL, One Line Bio (Instructional Tech Coord), Location (Manor, TX), and Language (English). At the bottom, there is a 'Protect my tweets' option with a checked checkbox and a lock icon. A red arrow points to this option. Below the form is a 'Save' button.

11. If you want to receive and send tweets from your phone, using text messaging, click the **Devices** tab.

12. Enter your mobile phone number.

It's okay for Twitter to send txt messages to my phone. Standard rates apply.

13. Click the check box and then click the **Save** button. A verification code will appear on the screen.

14. Send the code in a text message to Twitter to connect your phone to your account.

15. You will receive a message confirming that the phone is attached to Twitter.

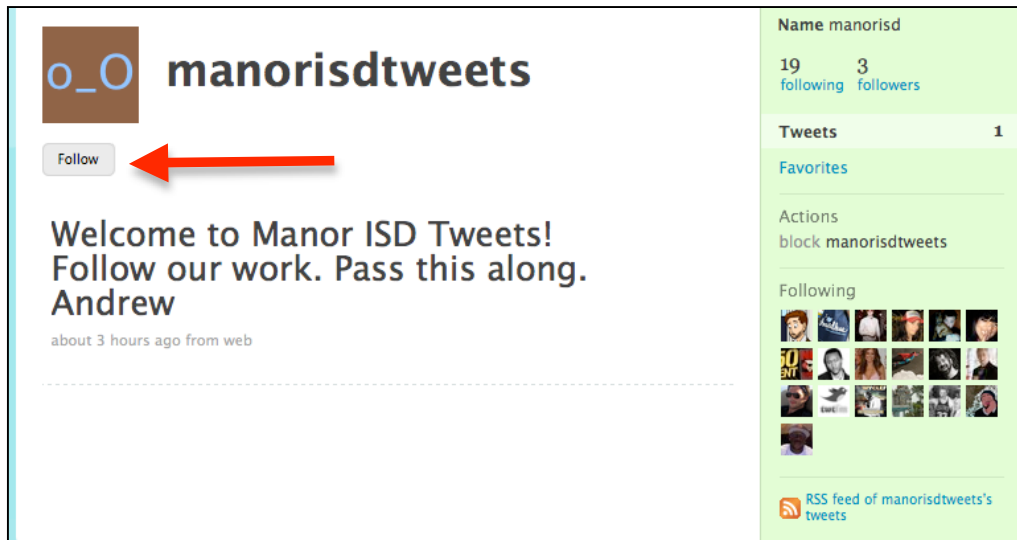

*Now, if you want to send tweets from your phone, you will enter 40404 as the phone number and then enter your tweet in the message and then send.

By clicking on the other tabs, you can select notification alerts, add your picture to your account, and change the background design of your page.

Following Tweets

You will want to set up to follow ManorISDTweets.

1. Click on Find People at the top of the screen.
2. Enter ManorISDTweets in the search box.

3. Click the **Follow** button.

When new tweets are added, you will receive the tweet on your phone if you set up for that or you will see them if you login to your Twitter page and click on the Manorisdtweets link.

If you want to follow ManorISDTweets on your mobile phone, select Devices on.
