## COLORS BOOK RECIPE

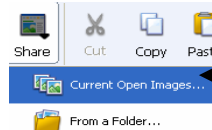

Pixie

1. Launch Pixie
2. Use the paint bucket tool  to color the background Red.
3. Create a text box  to type "RED" at the top of the page.
4. Create another text box  to write a sentence on the page about how this color makes you feel. (ex: Red makes me feel angry.)
5. Find at least 3 stickers that are that color. (ex: Red Firetruck)
6. Save. 
7. Click on New  for a new page.
8. Create as many color pages as you can.
9. Create a cover page for your color book with your name and title using textboxes.
10. Click on Show  to share as a slideshow.

### ***To create a website:***

11. Click on Share  and choose Current Open Images.

12. After saving each slide, WebBlender  will launch.

WebBlender

13. Choose a Template and add a title: **My Color Book**
14. Remove the "Double click to add text" boxes from each slide.

15.  Save and  Publish .
