LIFE CYCLES K-2nd

Pixie

1. Launch Pixie

2. Click on Choose Background 

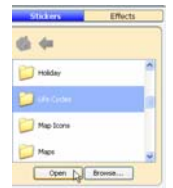

3. Scroll down and open “Templates”.

4. Open the Cycle-4 template.
(there is also a Cycle-5 template)

5. In the stickers menu, scroll down and open the “Life Cycles” folder.

6. Choose Insect or Plant, whichever life cycle you are studying.

7. Double click on the stickers to get them on your page.

8. Put the stickers in order on the template to create the life cycle.

9. Create a text box  where your name goes and type your name.

10. Save. 

11. Print.
