

Standard Mode of Dress Clarification

This morning, July 27, 2023, Manor ISD released the [2023-2024 Dress Code](#). In an effort to elevate equity, diversity and inclusion, we are offering families flexibility in this year's dress code.

Scholars may wear **any** top or bottom, as long as it does not violate the basic principles or the items listed on the prohibited “**Students Cannot Wear**” list. For safety reasons, *please note* that crocs are prohibited for scholars who attend the CDC/MEELC/Elementary campuses.

The “preferred colors” are listed as options to promote school spirit and pride but are not mandatory/required.

At Manor ISD, we value community feedback. We hope that this clears up any confusion. We look forward to welcoming back our scholars and staff on August 14, 2023.

#ManorUnited #ManorStrong
