

SUPERINTENDENT'S EMPLOYMENT CONTRACT

THE STATE OF TEXAS §

COUNTY OF TRAVIS §

THIS SUPERINTENDENT'S EMPLOYMENT CONTRACT ("Contract") is made and entered into by and between the Board of Trustees (the "Board") of the Manor Independent School District (the "District") and Dr. Royce Avery (the "Superintendent").

NOW, THEREFORE, the Board and the Superintendent, for and in consideration of the terms hereinafter established and pursuant to Section 11.201 of the Texas Education Code and of District policy, have agreed, and do hereby agree, as follows:

1. TERM

1.1 Employment. The Board, by and on behalf of the District, does hereby employ the Superintendent, and the Superintendent does hereby accept employment as Superintendent of Schools for the District for a term of approximately three (3) years, commencing on the 1st day of July, 2017 and ending on the 30th day of June, 2020. The District may, by action of the Board, and with the consent and approval of the Superintendent, extend the term of this Agreement as permitted by state law.

1.2 No Right of Tenure. The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure, contractual obligation, expectancy of continued employment, and no property interest, express or implied is continued employment.

2. EMPLOYMENT

2.1 Duties. The Superintendent shall faithfully perform the duties of the Superintendent of schools for the District as prescribed by §11.1513 and §11.201 of the Texas Education Code, in the job description and as may be lawfully assigned by the Board. The Superintendent shall comply with all lawful Board directives, state and federal law and regulations, district policy, rules, and regulations as they exist or may hereafter be adopted or amended.

The Superintendent shall be the educational leader and chief executive officer of the District. Specifically, it shall be the duty of the Superintendent to recommend for employment all professional employees of the District subject to the Board's approval. It shall be the further duty of the Superintendent to employ all other personnel consistent with the Board's policies. It shall be the further duty of the Superintendent to direct, assign, reassign, and evaluate all of the

employees of the District consistent with Board policies and federal and state law. It shall be the further duty of the Superintendent to organize, reorganize, and arrange the staff of the District, and to develop and establish administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the District consistent with the Board's lawful directives, the Board's policies, and state and federal law. It shall be the further duty of the Superintendent to accept all resignations of employees of the District consistent with the Board's policies, except the Superintendent's resignation, which may only be accepted by the Board. The Superintendent agrees to perform his duties as follows:

2.1.1. Authority. The Superintendent shall perform such duties and have such powers as may be prescribed by the law and the Board. The Board shall have the right to assign additional duties to the Superintendent and except for those duties of the Superintendent prescribed by law, to make changes in responsibilities or work at any time during the Contract term. All duties assigned by the Board shall be appropriate to and consistent with the professional role and responsibility of the Superintendent.

2.1.2 Standard. Except as otherwise permitted by this Contract, the Superintendent agrees to devote his full time and energy to the performance of his duties. The Superintendent shall perform his duties with reasonable care, skill and diligence. The Superintendent agrees to maintain the required certification throughout the term of employment with district. If the Superintendent's certification has expired, is cancelled, or is revoked, this contract is voidable.

2.2 Professional Certification and Records. This Agreement is conditioned on the Superintendent's providing the necessary certification and experience records, medical records, oath of office, and other records required for the personnel files or payroll purposes. Failure to provide necessary certification shall render this Agreement voidable. Any knowing misrepresentation may be grounds for dismissal.

2.3 Criminal History Record. At the beginning of this contract, and at any other time during the contract, the Superintendent specifically agrees to submit to a review of his national criminal history record information (NCHRI) if required by the district, the Texas Education Agency, or the State Board of Educator Certification. The Superintendent understands that a criminal history record acceptable to the Board, in its sole discretion, is a condition precedent to this contract. The Superintendent also agrees that, during the term of this contract or any extension thereof, the Superintendent shall notify the Board, in writing, of any arrest, charge, indictment, conviction, no contest or guilty plea, pre-trial diversion, or other adjudication of the Superintendent, excepting only class "C" misdemeanor traffic offenses and class "C" game law offenses. The Superintendent shall also notify the Board of any suspension or revocation of his driver's license. The Superintendent agrees to provide such notification in writing to the Board within three (3) calendar days of the event or any other period specified in Board policy or written Board directive.

2.4 False Statements and Misrepresentations. The Superintendent represents that any records or information provided in connection with his employment application are true and correct. Any knowing false statements, misrepresentations, omissions of requested information, or fraud made by the Superintendent in or concerning any required or requested records or in the employment application itself may be grounds for termination or non-renewal, as applicable.

2.5 Medical Examination. The Superintendent agrees to have a comprehensive medical examination, at District expense, by a physician acceptable to both the Board and the Superintendent, once a year, and to obtain a written statement from that physician certifying that he is physically able to perform his duties. This statement shall be filed annually with the President of the Board and shall be maintained by the District as a confidential medical record to the extent permitted by law.

2.6 Residency Requirement. The Superintendent agrees to reside within the Manor Independent School District and to continuously enroll his children as students in the District.

2.7 Reassignment. The Superintendent cannot be reassigned from the position of Superintendent to another position without the Superintendent's consent.

2.8 Board Meetings. The Superintendent shall attend, and shall be permitted to attend, all meetings of the Board, both public and closed, with the exception of those closed meetings devoted to discussion or the consideration of any action or lack of action on the Superintendent's contract, or the Superintendent's evaluation, for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. At any time that the Board shall ask the Superintendent to be excused from the executive session of board meetings, it is agreed that at such time the legal counsel for the Board is required to be present with the Board in executive session at all board meetings or a telephone or video conference call under §551.129 of the Texas Government Code.

2.9 Criticisms, Complaints, and Suggestions. The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention either: (a) to the Superintendent for study and/or appropriate action, and the Superintendent shall refer such matter(s) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the Board of the results of such efforts; or, (b) to the appropriate complaint resolution procedure as established by District Board policies.

2.10 Disability. This provision shall apply to disability of any type during which the Superintendent is unable to perform his essential job duties for any period greater than ninety (90) consecutive calendar days, regardless of whether or not any type of leave is requested, granted or taken. Such disability shall include, but not be limited to, incapacity to carry out essential job duties which arises from major surgery, physical illness, mental illness, emotional disturbance, accident or other injury or condition.

- A. **Anticipated Disability.** Where disability can reasonably be anticipated, as in the case of a scheduled operation, the following rules shall apply:
- (i) The Superintendent shall notify the President of the Board of Trustees of the expected time of leave as soon as reasonably possible;
 - (ii) Any anticipated disability leave shall begin at a time which is agreeable to the Board and upon request by the Board, the Superintendent shall furnish a statement which sets forth the facts and the physician's opinion as to the Superintendent's ability to continue or return his duties. The Board may mandate, restrict, or otherwise condition the dates and the term of such disability leave upon such physician's opinion statements.
- B. **Other Disability.** In instances in which the disability could not be reasonably anticipated, the disability leave shall begin when determined to be medically required. The District shall have the right to demand and receive a full and complete written documentation of the facts regarding such disability and the relationship of such conditions to the Superintendent's ability to perform his essential job duties.
- C. The District may require and obtain an independent medical opinion from a physician or physicians of its choosing regarding the condition of the Superintendent and the Superintendent agrees to cooperate fully with such physicians as may be designated by the Board in acquiring this information. The Superintendent agrees to timely execute, upon reasonable request from the District or its representative, a HIPAA-compliant release authorization form authorizing the appropriate District representative(s) to access the Superintendent's medical history and records necessary to make disability leave determinations under this Section 2.10.
- D. In the event of the absence of the Superintendent due to any disability as described in this Section 2.10, the Superintendent and the Board agree that the Board shall have the authority and discretion to appoint one or more persons to temporarily perform the duties of the Superintendent upon such terms and conditions as the Board, in its sole discretion, shall determine.
- E. The Superintendent shall continue to receive the disability benefits payable to other professional employees of the District during any period of

disability. The Superintendent shall be responsible to timely pay any costs or portion of costs of health insurance or other benefits which are customarily paid by professional employees during any period of disability leave.

- F. For purposes of this contract, "disability" shall be defined as any physical or mental injury, illness, or impairment which is determined by a physician to prevent the performance of the essential functions of the office of the Superintendent.
- G. For disability determination purposes, the District can require the Superintendent to be fully examined by a physician of the District's choosing and the Superintendent agrees to all tests and procedures required by physician chosen by the District.
- H. If the Superintendent is not able to resume full duties within ninety (90) days, then the District and the Superintendent agree that the contract will be terminated and the position filled by the Board of Trustees. Notwithstanding any other provision of this contract or state law, after termination, the District will negotiate a settlement of the Superintendent's contract, not to exceed the limitations of Section 11.201 of the Texas Education Code.
- I. Notwithstanding any other provision of this contract or of state law, upon determination of a disability of the Superintendent for a period to exceed ninety (90) days, this contract can be terminated upon the giving of ten (10) days' notice to the Superintendent by the District, without any recourse to a hearing process or an Independent Hearing Examiner proceeding under Chapter 21 of the Texas Education Code.

2.11 Indemnification. To the extent it may be permitted to do by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceedings brought against Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, providing the incident(s), which is (are) the basis of any such demand, claim, suits, actions, judgments, expenses and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting within the course and scope of Superintendent's employment with the District; excluding, however, any such demand, claim, suits, actions, judgments, expenses and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting

gross negligence, or acted in bad faith; and excluding any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by Superintendent. The selection of Superintendent's legal counsel shall be with the mutual agreement of Superintendent and the District if such legal counsel is not also District's legal counsel. A legal defense may be provided through insurance coverage, in which case Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. To the extent this Section 2.11 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly. The provisions of this Section 2.11 shall survive the termination of this contract.

3. COMPENSATION

3.1 Salary. The District shall provide the Superintendent with an annual salary in the sum of two hundred ten thousand (\$210,000.00) dollars. This annual salary rate shall be paid to the Superintendent in installments consistent with the Board's policies. Subject to and without waiving any Constitutional and/or other challenges by the Superintendent, the Superintendent acknowledges that the District may have certain rights pursuant to Texas Education Code Sections 21.4021 and/or 21.4032.

3.1.1 Widespread Salary Reduction. If the Board implements a widespread salary reduction under Texas Education Code § 21.4032, the Superintendent's annual salary shall be reduced by the percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced. Once the exigent financial conditions of the District making a widespread salary reduction necessary under Section 21.4032 of the Texas Education Code no longer exist, the Superintendent's annual salary shall return to the sum set forth in Section 3.1 of this Contract prospectively from and after the end of the exigent financial condition only.

3.1.2 Furlough. If the Board implements a furlough under Texas Education Code §21.4021, the Superintendent shall be furloughed for the same number of days as other contract personnel and the Superintendent's salary shall be temporarily reduced in proportion to the number of furlough days.

3.2 Salary Adjustments. At any time during the term of this Agreement, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth in Section 3.1 of this Agreement, except as provided herein.

3.3 Vacation Days and Leave. The Superintendent shall receive the same number of vacation days as authorized by Board policy for administrative employees on 12-month contracts. The vacation days taken by the Superintendent will be taken at such time or times as will least

interfere with the performance of the Superintendent's duties as set forth in this Contract. Accrued but unused vacation days, up to a maximum of five (5) days annually, and a cumulative maximum of fifteen (15) days, shall accumulate and carry forward from year to year during the term of this Contract. The Superintendent shall observe the same holidays and breaks as provided for other 12-month administrators in the Board's adopted annual calendar and shall be eligible for any leave available to other employees under Board policy. The Superintendent shall provide two (2) weeks advance written notice of leave days with the Board President and shall schedule such days at times that will least interfere with the performance of the Superintendent's duties.

3.4 *Other Benefits.*

3.4.1 *Sick Leave Benefits.* The Superintendent shall be entitled to the same benefits of all state and local sick leave provisions in the same manner as other professional employees of the School District.

3.4.2 *Health, Life and Dental Insurance.* The District shall pay the same premiums for hospitalization, major medical, and dental insurance coverage, if provided, for the Superintendent pursuant to the group health care plan(s) provided by the District for its other administrative employees.

3.4.3 *Expenses.* The District shall pay or reimburse the Superintendent for reasonable expenses directly incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Agreement. The District agrees to pay the actual and incidental costs incurred by the Superintendent for travel for out-of-district and in-district expenses, as determined by Board policy and by the annual budget for the School District as adopted by the Board; such costs may include, but are not limited to, gasoline, hotels and accommodations, meals, rental car, long distance expense, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies.

3.4.4 *Cellular Phone.* The District shall pay to the Superintendent one hundred (\$100.00) dollars per month for school district use of the Superintendent's own personal cell phone.

3.4.5 *Automobile Expense.* The District shall pay to the Superintendent two hundred (\$200.00) dollars per month for in-district automobile expenses.

3.5 *Benefits.* In addition to the benefits specifically described in this Contract, the District shall provide benefits to the Superintendent as provided by state law and Board policies. The Board reserves the right to amend its policies at any time during the term of this Contract to

reduce or increase the expenditures of the school district on those benefits provided solely pursuant to state law and/or Board policy at the Board's sole discretion.

3.6 Longevity Annuity. On or before July 31st of each year of this Contract, beginning on or before July 31, 2017, the District shall make contributions of three (3%) percent of the Superintendent's annual salary for each year of his contract to a qualified annuity of the Board's choice (based on consultation with the Superintendent) for the benefit of the Superintendent. The Superintendent shall become vested in the annuity account only if he is still employed as Superintendent of the District on June 30, 2019. At that time only, shall the Superintendent have the full ownership of the account. Any unvested funds in the account will revert to the District if the Superintendent ceases to be employed by the District in the Superintendent position before June 30, 2019.

4. REVIEW OF PERFORMANCE

4.1 Development of Goals. The Superintendent shall submit to the Board a preliminary list of goals for the District each year for the Board's consideration and adoption. The Superintendent and the Board shall then meet, and the Board shall approve or revise the list of goals. The Superintendent shall submit to the Board for its approval a plan to implement the goals. The Superintendent and the Board shall meet biannually to assess the goals and may adjust or revise the goals either by action of the Board or upon recommendation of the Superintendent and approval of the Board. The goals approved by the Board shall at all times be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The Board agrees to work with and support the Superintendent in achieving the District Goals.

4.2 Time and Basis of Evaluation. The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this Agreement. At the discretion of the Board, the Board may evaluate the performance of the Superintendent more frequently, as needed. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description and shall be based on the District's progress towards accomplishing the District Goals. All evaluation documents, assessment records and other documents involved in the review of performance are confidential in accordance with the law.

4.3 Evaluation Format and Procedure. The evaluation format and procedure shall be in accordance with the Board's policies and state and federal law. In the event that the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation within thirty (30) days of receipt of the written evaluation from the board. That

response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

4.4 Confidentiality. Unless the Superintendent expressly requests otherwise in writing to the Board, the evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with his respective legal counsel

5. RENEWAL/NONRENEWAL

5.1 Renewal or nonrenewal shall be in accordance with the Board policy, Texas Education Code Chapter 21, Subchapter E, and applicable law. As required by the provisions of Section 21.212(a) of the Texas Education Code, the Superintendent shall be entitled to written notice of a proposed nonrenewal, not later than thirty (30) days before the last day of the contract term, containing reasonable notice of the reason(s) for the proposed nonrenewal of the Superintendent's Contract with the District.

5.2 Suspension. In accordance with Texas Education Code Chapter 21, the Board may suspend the Superintendent without pay during the term of this Contract for good cause as determined by the Board.

6. TERMINATION OF EMPLOYMENT CONTRACT

6.1 Mutual Agreement. This Contract may be terminated by the mutual agreement of the Superintendent and the Board in writing, upon such terms and conditions as may be mutually agreed upon.

6.2 Death, Disability, Retirement. This Contract shall be terminated upon the death of the Superintendent, upon the disability of the Superintendent as agreed in this Contract, or upon the Superintendent's retirement under the Teacher Retirement System of Texas.

6.3 Dismissal for Good Cause. The Board may dismiss the Superintendent at any time for good cause. The term "good cause" is defined as follows:

- (a) Failure to fulfill duties or responsibilities as set forth under the terms and conditions of this Contract;

- (b) Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any incompetency or inefficiency;
- (c) Insubordination or failure to comply with lawful written Board directives;
- (d) Failure to comply with the Board's policies or the District's administrative regulations;
- (e) Neglect of duties;

- (j) Failure to comply with reasonable District professional development requirements regarding advanced course work or professional development;
- (k) Disability, not otherwise protected by law, that impairs performance of the required duties of the Superintendent;
- (l) Immorality, which is conduct the Board determines is not in conformity with the accepted moral standards of the community encompassed by the District. Immorality is not confined to sexual matters, but includes conduct inconsistent with rectitude or indicative of corruption, indecency, or depravity;
- (m) Assault on an employee or student;
- (n) Knowingly falsifying records or documents related to the District's activities;
- (o) Knowing misrepresentation of facts to the Board or other District officials in the conduct of the District's business;

- (q) Any other reason constituting "good cause" under Texas law.

6.4 Resignation of Superintendent. The Superintendent may leave the employment of the District at the end of a school year without penalty by filing a written resignation with the Board. The resignation must be addressed to the Board and filed not later than the 90th day before the first day of instruction of the following year. The Superintendent may resign with the consent of the Board at any other time.

6.5 Termination Procedure. In the event that the Board proposes to terminate this Agreement for good cause, the Superintendent shall be afforded all the rights set forth in the Board's policies and state and federal law.

7. NON-DISTRICT RELATED PROFESSIONAL ACTIVITIES

7.1 Professional Growth. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance and participation in appropriate professional meetings at the local, regional, state, and national levels which do not interfere with the Superintendent's job duties and performance. The Board shall encourage the use of data and information sources, and shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deem appropriate, to attend such seminars, courses or meetings. The Superintendent shall be limited to a maximum of two (2) such seminars or courses per school year with no additional costs to the District. All other seminars or courses shall require prior Board approval.

7.2 Civic Activities. The Superintendent is encouraged to become a member of and participate in community and civic activities, including the chamber of commerce, civic clubs, governmental committees, and educational organizations with prior Board approval. The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The Superintendent may hold offices or accept responsibilities in these professional organizations, provided that such responsibilities do not interfere with the performance of his/her duties as Superintendent.

7.3 Professional Organizations. The Superintendent shall attend and participate in one (1) appropriate national education conference and three (3) Texas education conferences per year with the expenses of such attendance, including annual membership fees for up to two (2) professional organizations, to be borne by the District. The Superintendent may participate fully in the work of appropriate professional associations to the extent of holding office or accepting the responsibility of assignment if elected or appointed.

7.4 Outside Consultant Activities. With the prior approval of the Board, the Superintendent may undertake writing, consultative work, teaching and speaking engagements; or other professional duties and obligations outside the District (referred to collectively herein as "Consulting Services"), provided, however, that the expense of such activities shall not be borne by the School District and that provided such activities do not detract from the performance of his duties and responsibilities as Superintendent of Schools. The Superintendent may accept a reimbursement of expenses for such Consulting Services at no expense to the District. Consulting

Services provided by the Superintendent under the terms and conditions of this paragraph must be consistent with state and federal law.
